## Our Commitment...

We are committed to World Class Service and GUARANTEE to provide you with a professional, courteous and well trained team who will make a difference with your ground transportation each and every time.

We fully understand how in today's world time is a valuable asset. With this in mind, we assure you that our team of chauffeurs will arrive to your destination on time and get you to your destination safely and without worries.

## Corporate

WC Transportation Service Group specializes in corporate transportation by serving the many needs and requirements of today's business traveler. Our attention to details gives you the confidence needed to worry about the important requirements within your business. We are able to accommodate almost any type of transportation need with our fleet of Luxury Sedans, Stretch Limousines, SUVs and Executive Vans. We offer Corporate Account and Consolidated Billing on approved accounts are available.

## Airport

WC Transportation Service Group serves all airports within the tri-state area, both public and private. This includes John F Kennedy, LaGuardia, Newark, Teterboro, Westchester, Mac Arthur and Republic in Farmingdale. We are located minutes from Teterboro and Newark Airport. Arriving passengers are met inside in the baggage claim area. Our Chauffeurs will hold a sign with the client's name prominently displayed. Of course we will always assist you with your baggage. We also cater to multi-flight group arrivals. Just provide us with all names and flight details and we'll take care of the rest...

## Going Green

Here are just a few ways that our team at WC Transportation Service Group will make a difference by reducing our impact on our environment:

- We have reduced the size of our office space ultimately saving on energy cost's
- We buy remanufactured ink and toner cartridges and we recycle our used ink and toner cartridges
- Implemented a replacement program for **Energy Star** qualified electronic products including computers, printers and other business machines that we use daily.
- We are beginning a program where everyone in our office complex will be recycling office paper, bottles, cans and cardboard through our office suite
- Use daylight rather than office lighting whenever possible reducing the amount of electricity used within the office
- Power down all electric equipment when the office is not being used and during the overnight hours
- Reduce the amount of paper used in our office by 80%
- Looking at all options for new Hybrid Vehicles and/or conversion of our current fleet to Natural Gas

## Our Team

WC Transportation Service Group, Inc. and its team of chauffeurs are the best in the business. Every chauffeur goes through an extensive training and qualification process including State Motor Vehicle driving record reports and a background check. We continue to focus on security issues and will be implementing an innovative Safe Driving Incentive Program for our team of chauffeurs.

Our Team behind the scene within our office consist of partners driven by success and committed to reaching our Company Goals.

WC Transportation Service Group has been and will continue to be a small business driven on family values from within. Working closely achieving fantastic results that are noticed by you in everything we do. We have proved time and time again that we are a team like no other, and will continue throughout the years to provide you with this exceptional service time and time again...
